

Franco Café and Bistro

Project Profile: Retail

Owner: Soulard Apartment L. P.

Architect: Space Interiors LLC

Description: This approximate 3500 square foot interior build out boasted a rustic atmosphere to compliment the original historic building. Interior finishes include a bar constructed of barn wood with a mosaic tile top. Behind the bar is a floor to ceiling wine rack and back bar. The ceiling is the original exposed floor joist with illuminated wood “waves” suspended from them. The dining area features wood plank flooring with window seating and herb garden windows.
