Project Profile: Retail

Owner: G. J. Grewe, Inc.

Architect: TR, i Arkitects

Description: This 31,000 square foot retail establishment had major site hurdles. Some of these hurdles included the removal of approximately 31000 cubic yards of soil and all the utility trunk lines had to be relocated at Manchester Road. Some of the major tenants include Maytag, Xtreme Tans, Verizon, Mattress Giant, QDOBA Mexican Grill, Futon Express, Sport Clips, Great Harves, and Oreck. R. G. Ross Construction actually did several of the tenant finishes while building the shell. All of these projects were on a tight time schedule.
