

## Wood's Residence

Project Profile: Custom Homes

**Owner:** Randy and Fiona Woods.

**Architect:** Arteriors, Tim Bjella.

**Description:** This high end residence boasts of approximately 5,000 square feet interior with an additional 4,300 square foot finished basement. The super high pitched cedar shake roof structure bears on a concealed moment frame to give the appearance of being supported by a ribbon of glass. The incredibly luxurious interior boasts of corner to corner, wall to wall, room to room built in cabinetry and custom trims. The exterior stone and copper reflects marvelously in the infinity edge outdoor pool and spa.
