

Town & County Home

Project Profile: Custom Home

Owner: Private

Architect: Mitchell Wall Architecture & Design

Description: This 7,000 sf home located in Town and Country boasts dark cocoa colored hickory wood floors, and an elaborate curved staircase as the center of attention. 10' coffered ceilings, flamed granite counter tops, and a double kitchen island are just a few exquisite features of this fine home.

The lower level bar and entertainment area, which includes an elegant wine room, exits conveniently onto a trellis covered patio, and a 20,000 gallon pool nestled to the rear of the property.
